

inventHERS[™] Idea Studio

A creative invention + Intellectual Property club for girls ages 7-14.

Inventor Identity

Girls explore what it means to be a creator, designer, storyteller, and innovator, no STEM background required.

Hands On Invention

Students build, sketch, prototype, and iterate through playful, transdisciplinary invention challenges.

Intellectual Property Literacy

Girls learn about patents, trademarks, and copyright, while discovering that their ideas have real value worth protecting.

What is inventHERS?

inventHERS Idea Studio is a creative invention and intellectual property club for girls ages 7-14.. We help girls see themselves as inventors, designers, and creators, because innovation belongs to everyone.

What Girls Experience

Through 8 hands-on lessons, students explore invention, branding, problem-solving, and creativity. Each girl builds an inventHERS Idea Portfolio and celebrates her journey at the inventHERS Idea Expo.

HELPING GIRLS TURN IDEAS INTO IMPACT.

For the girl who **draws**, the girl who **writes**, the girl who **designs**, and the girl who **wonders**, Your creativity belongs in innovation spaces.

Donate Today

inventHERS is a registered 501(c)(3) nonprofit. Donations are tax-deductible and go directly toward bringing Idea Studio to more girls in more communities. We are always accepting contributions
